ABOUT THE GPO:

Today, the GPO is at the epicenter of technological change as it embraces its historic mission while looking to the digital future. The men and women of the GPO are hard at work transforming the agency into a digital information processing facility that will continue Keeping America Informed into the 21st century and beyond. Come be a part of history in the making as the largest information processing, printing, and distribution facility in the world transforms into a revolutionary digital facility.

MAJOR DUTIES:

Serves as the technical expert on security and internal control issues associated with IT resources and operations, assisting the OIG in advising GPO on the economy, effectiveness, and efficiency of the management of agency IT resources and activities. Identifies deficiencies in IT policies and procedures and makes recommendations for appropriate action. Responsible for conducting audits and assessments of technically complex IT areas. Incumbent assists in coordinating and evaluating work conducted by contractors tasked with auditing and assessing GPO IT resources and activities. Ensures that innovative tools and techniques are used to streamline the identification of abnormalities and system vulnerabilities without risk to GPO IT resources. Develops work programs and ensures the adequacy of their effectiveness to accomplish audit and assessment objectives.

NOTE: As authorized by 5 U.S.C., Section 3304 and 5 CFR, Part 337, Subpart B this position may be filled using a Direct Hire Authority.

QUALIFICATIONS NEEDED:

Applicants must possess 52 weeks of specialized experience at the next lower grade level. Specialized experience is defined as experience in the evaluation of technical and management controls associated with IT resources and operations, including IT security controls and countermeasures.

All qualification requirements must be met by the closing date of this announcement.

HOW YOU WILL BE EVALUATED:

If you meet the qualifications described above, you will be further evaluated based on your narrative responses to each knowledge, skill, ability and other characteristic (KSAO) listed below. Your narrative responses should explain how your experience, education, training, awards and appraisals demonstrate that you possess each KSAO. When describing your KSAOs, please be sure to explain how often you used the skills, the complexity of the knowledge you possessed, and give examples of problems handled and results achieved. Please limit your narrative response statements to one page per KSAO.

You must submit separate narrative response statements for each KSAO with your application package.

Knowledge, Skills, and Abilities and Other Characteristics required for this position:

1. Knowledge of laws, regulations, policies, and precedents applicable to Federal IT programs and operations.
2. Skill in the assessment of management and technical controls over IT resources, including security risks, vulnerabilities, and countermeasures associated with networks and telecommunications systems, operating systems, and database management systems.
3. Skill in evaluating IT security effectiveness through use of attack techniques and information gathering tools.
4. Ability to communicate both orally and in writing.

HOW TO APPLY:

There is certain information that we must have to determine if you meet the legal requirements for Federal employment and to evaluate your qualifications for this specific position. If your application package does not provide all the information requested, you will lose consideration for the job.

STEP 1: Complete a resume or an Optional Form 612 “Optional Application for Federal Employment” (OF-612). The OF-612 is available electronically at http://www.opm.gov/forms/pdf_fill/of612.pdf. If you submit a resume, make sure it contains all the pertinent data requested in the OF-612, including your social security number. To assist you in sending in a complete resume, use our checklist at: http://www.gpo.gov/careers/pdfs/Resume_Checklist.pdf.

STEP 2: Prepare separate narrative responses to each of the KSAOs listed in this announcement.

STEP 3: Current and Former Federal Employees: Attach a copy of your most recent Standard Form (SF)-50 and performance appraisal as proof of status or reinstatement eligibility. GPO Employees may obtain a copy of their SF-50 and Performance Appraisal from the Human Capital Business Center in Room C-106.

Applications will be accepted from both status and non-status candidates. Status candidates who wish to be considered under both merit promotion and competitive procedures must submit two (2) complete applications. When only one (1) application is received, it will be considered under merit promotion procedures only.

Veterans: Attach a copy of your most recent DD-214, “Certificate of Release or Discharge from Active Duty” or letter from the Veterans Administration documenting your military service. If you are claiming 10-point veteran’s preference, you must also attach an SF-15 “Application for 10-Point Veterans’ Preference” plus the proof required by that form. For more specific information about your veteran’s preference and eligibility, please visit

<http://www.opm.gov/veterans/>. When one application is received, it will be considered under merit promotion procedures only, when applicable.

Applicants with Disabilities: If you are seeking an excepted appointment based on a disability, please attach a certification from a State or District of Columbia rehabilitation counselor indicating that you can perform the duties of the position and are eligible for an excepted appointment based on a physical or mental disability.

STEP 4: Assemble your application package and hand-deliver, e-mail, fax, or mail your application to GPO using the information below.
